

### Detailed guidance for Leawood activities

**It is very important that everyone adheres to the following rules when participating in activities at Leawood. Amendments may be made in the light of actual experience/further advice:**

- DO NOT ATTEND if you are displaying any Covid-19 symptoms, are self-isolating or any member of your household is self-isolating. Payment made will be refunded.
- If you develop Covid-19 symptoms within 14 days of attending an LVRC activity please notify Anne Shrubshall (in confidence).
- Social distancing of 2 meters must be observed at all times from arrival to departure.
- Park to allow others sufficient space to pass/unload etc at a safe distance.
- Please do not arrive earlier than is necessary for participation in your session and leave promptly at the end in order that as few vehicles as possible require parking space.
- Sessions will be a maximum of 3 as usual; however, to ensure the maximum permitted number of 6 including the trainer is not exceeded, our preference is that you are unaccompanied. If you need someone from your household to accompany you eg for safety/transport reasons then please keep this to one person. In the unlikely event that everyone is accompanied, then you will have to agree amongst yourselves how to ensure there are no more than 6 in attendance at the arena at any one time!
- Please comply with any specific requests made by Angela.
- Note that trainers will not be able to assist with mounting, tack adjustments etc.
- Soft face masks may be worn that cover the mouth and nose but no face shields are permitted and nothing is to be attached to the riding hat.
- IF you need to use the toilet block then please wash your hands both before and after use.
- All payments must be made in advance by bank transfer. Cheques by post to Anne Shrubshall will be accepted as a last resort.
